Oundle Primary Sport

Unstoppable Oundle

Girls Football Team Takes Home the Trophy!

On Wednesday 7th October, our girls football team travelled to Kettering to play in the Corby, Thrapston and Oundle Cluster Football Festival. We were very excited to take part and couldn't wait to get started!

We were put into Group B with three other schools. Our first game got off to a brilliant start and we won 5-0! We then played our second game and won 1-0. Our final group game was very close, but sadly we lost 1-0 with the last kick of the game. We were disappointed, but we had still finished second in our group and qualified for the quarter-finals!

In the quarter-final, we played really well and had lots of shots and possession, but the game finished 0-0. This meant we had to take penalties. Everyone was nervous, but we kept our cool and won 3-2!

Next up was the semi-final. It was a really exciting game, and our goalkeeper made some fantastic saves to keep us in it. We managed to score twice and won the game 2-1. We were through to the final!

The final was another tough game. We played brilliantly and dominated possession, but we just couldn't find the back of the net. After a 0-0 draw, it was time for another penalty shoot-out. This one was very tense as every player took a penalty as it was so close!. After lots of nervous moments, we finally won 5-4!

We couldn't believe it! We had WON the whole festival and qualified for the County Finals!

Every single player was amazing and showed our school values of Resilience, Kindness and Joy. We never gave up, supported each other and enjoyed every minute.

We are so proud of the whole team. What an incredible achievement! Well
