Welcome to Oundle CE Primary School

Dear Parents and Carers,

We are proud to be part of a community which is passionate about educating and supporting young people to be happy and positive citizens of the future.

As a Church School and part of the Peterborough Diocese Education Trust, we pride ourselves in our collaboration with others to be able to offer a rich and progressive curriculum for all pupils.

I am very proud of our school; the children, staff, learning environment and all that the school offers through its significant partnerships within the Oundle community.

Our vision for all pupils and staff is 'to be the best they can be'. Our school seeks to enable all pupils, regardless of their starting points, to flourish as individuals and reach their full potential. By learning to keep on aspiring to be the 'shine their light to others', our children achieve well and strive for more.

As the Principal, I wish for all pupils to have a happy, memorable and inspiring primary education that sets the tone for life-long learning.

Mrs Anneka Bellett
Principal

"The school values weave throughout the life of the school, its staff and pupils... As one pupil typically stated: 'Our values are the most important thing because that is what makes our school ours, and what makes us, us.'"

Learning with us

At Oundle CE Primary School, we recognise that every child is unique and ensure we tailor our curriculum to support the needs of each child.

Our enthusiastic and hardworking team of staff provide a stimulating and supportive environment for learning all aspects of the school curriculum.

“The school supports pupils to ‘be the best we can be’ and takes every opportunity to provide meaningful and varied experiences for its pupils.”

Ofsted, 2023

“I could not wish for a better group of people to look after and teach my daughter. I know at Oundle she is getting the best education and the best care.”

Parent Survey, 2024

“In line with the vision, the curriculum is designed so all pupils can enjoy success. This enables them to ‘be the best they can be’ and let their light shine, regardless of age, ability or starting point.”

Life with us

Our children’s learning is enriched through our carefully planned ‘Enrichment Programme’ where we offer further opportunities to support learning and whole child development, as evidenced by our warm and well-mannered children that live out the school vision and values every day.

This could be in the form of visitors to school, Forest School, going on a trip, residential or suggesting home learning activities. In addition, we have great collaboration with the OPEN Partnership and PDET Schools to further experiences and expand on the curriculum.

About PDET

PDET is a family of over 30 schools across Northamptonshire, Peterborough and Rutland who are **learning and flourishing together**.

By working together as a group, we are proud of the fact that all of our schools are rated as Good or better by Ofsted and are applauded by the Church of England for their ethos and approach.

To achieve this, we support our staff to thrive and create exciting opportunities to enable each and every pupil to experience an excellent education and realise their individual talents.

"Collective worship is a powerful outworking of the vision. It challenges pupils and adults to learn, reflect and respond spiritually, as well as inspiring them to think and act differently."
